Professional Statement

I am a editor, finisher, and colorist with extensive experience in beauty work, creative off-line motion graphics, and graphic design. I work hard to deliver the most beautiful images possible that tell the best story. I have a comprehensive understanding of video formats, codecs, color spaces, and compression. I can deliver media that is optimized for web or broadcast delivery. I am a team player and I have experience as a project manager. I have worked in most genres in the entertainment industry, including theatrical marketing, reality TV, documentary, animation, narrative film, and industrial video.
